Issue 7: Thursday 17th October 2024

We are enjoying a great Wellbeing Week!

This year our theme is the '5 ways to Wellbeing' with a different focus each day.

So far, we have been **CONNECTING** with others, been very **ACTIVE**, and have been out and about taking **NOTICE** of the world around us.

Thank you to Mrs Hoar & the other teachers for planning a lovely week of activities!

Year 6 spent the afternoon at 'Crucial Crew' on Tuesday, learning valuable life skills to keep themselves and those around them safe. They worked with the police, fire service and paramedics on a range of activities including first aid, hazards in the home, online safety, railway safety and knife crime. It was a fantastic way to learn such important skills needed as they get older.

Residential School Journey June 2025

Y5 and 6 parents should have received a letter with all the details of next year's residential school journey to PGL Bawdsey Manor.

A reminder that the deadline for reserving a place and paying an initial deposit via Arbor is **TOMORROW.**

Class 6 Assembly Friday 25th October 9.15am

Class 6 parents are warmly invited to come and watch the Class 6 assembly on Friday 25th October. The assembly will start at 9.15am in the hall.

If you have babies or pre-schoolers they are very welcome to attend, all we ask is that you take them out if they are unsettled or making noise. **Please also note that we do not permit photographs or videos at class assemblies.** We hope you can come!

Class 5 Assembly Date change

Please note that due to a date clash, the date of the Class 5 assembly has had to be changed. It will now take place on **Friday 29th November**, NOT the 22nd (9.15am in the hall for parents)

Class 6 Cake Day TOMORROW!

Northern Lights

Some of you may have been lucky enough to see the aurora last week.

It's such an amazing opportunity to witness the beautiful, vibrant colours dancing across the sky, with streaks of green, purple and pink glowing above the landscape.

This rare spectacle was visible further south than usual due to heightened solar activity, caused by coronal mass ejections from the sun. For those who missed it, don't worry- solar storms continue to occur, and experts predict more chances to catch the aurora in coming months. If you're hoping to see it, keep those hopes of yours up!

SPORTS

Boccia

On Wednesday a group of year 3 and 4 went to a Boccia event. They played really well, had a great time and came 5th out of seven schools. Well done to those that took part in the Boccia event.

If your child is in Year 5 or 6 and usually walks home, please let Miss Walker or Mr Smith know what the arrangements will be for collection or walking after Movie and Munch.

Many thanks

SECONDARY APPLICATIONS 2025

Please be aware that the deadline for applications to secondary and upper schools is fast approaching.

Parents will need to make an application online or on paper by the closing date of Tuesday 31st October 2024. However, we recommend that parents complete it by Friday 25th October, so that if there are any queries, they can be dealt with by the Admissions Team ahead of the deadline.
