Harvest FESTIVAL

Thank you so much for your very generous donations for our Harvest Festival last week; the church was full!

The children in Young Worship did a wonderful job of leading the service and all the other classes contributed with poetry and singing; it was a really beautiful service.

After the service, Young Worship decorated the church and helped to sort the donations and make harvest gift parcels.

Next week is our annual Wellbeing Week and the focus this year is 'Keeping Safe'. The children will be doing a range of activities throughout the week aimed at staying safe. The week will also include some visits from the police and fire services and some first aid training too. Thank you to Mrs Hoar for organising this fantastic week.

Baby on the way!

I am delighted to share some very happy news with you all – Miss Ingle is expecting her third baby, due in the spring. I am sure you will join with me in sending Miss Ingle and her partner our love and best wishes at this exciting time. We will soon be making plans to cover Miss Ingle's maternity leave, and I will keep you updated when things are confirmed. Congratulations Miss Ingle!

Class 6 Assembly Friday 24th October 9.15am

Class 6 parents are warmly invited to come and watch the Class 6 assembly on Friday 24th October. The assembly will start at 9.15am in the hall.

If you have babies or pre-schoolers they are very welcome to attend, all we ask is that you take them out if they are unsettled or making noise. **Please also note that we do not permit photographs or videos at class assemblies.** We hope you can come!

FLU VACCINATIONS

WEDNESDAY 22ND OCTOBER

A reminder to please read the email sent home recently and follow the instructions to accept or decline for your child. If you have any queries, please contact Mrs Islam in the office.

Class 6 Cake Day!

Friday 17th October Cakes 25p each

**St Ippolyts
School**

PTA

PTA AGM

all welcome!

Tuesday 21st October 3.30pm

Please join us for the first PTA meeting of the year, all are welcome!

We will be sharing fundraising ideas and making plans for the year ahead; we would love to have some new faces. It's a lovely way to get to know other parents and a great way to support the school too. You are welcome to bring your children with you; however a little reminder that we cannot accommodate buggies/prams. Hope you can come!

Following his visit to St Ippolyts Primary School, Councillor Ralph Muncer who represents the village on Hertfordshire County Council and serves as Shadow Cabinet Member for Education said:

"It was a real privilege to meet with Mrs Peddie and see firsthand the excellent work being done by staff at St Ippolyts to give every child the best opportunity to thrive.

Parents are the first educators of their children, and our schools work in partnership with parents and carers to build upon the progress made during those crucial early years. With the unprecedented challenges currently facing our schools, now more than ever that partnership is vital to ensure our children get the best possible start in life.

Despite these challenges, a bright future lies ahead for the students and staff at St Ippolyts and as the County Councillor representing the area, I will be doing all that I can to support Mrs Peddie and her team so they are able to continue to deliver an education which equips local children with the knowledge and skills they need to succeed."

HARVEST FESTIVAL

I hope everyone enjoyed singing, donating food and maybe a little bit of money, on Friday when it was the Harvest festival. Think of all the unfortunate people who will receive our lovely gifts we have all generously donated, and how grateful they will be. It was lovely to see all the classes' contributions, they brought the service to life!

Well done to everyone who took part in the event, it was fantastic!

LET'S SEE WHAT CLASS 6 HAVE BEEN LEARNING

Last week, we found out about some learning from Class 4, this week we get to find out what is happening in Class 6. Recently, they've been learning about the interesting and particularly gory topic of crime and punishment in history. Emily says, "One of the punishments was the stocks where you would get things thrown at you."

In English they've been writing a newspaper. This is what Josh has to say, "I enjoy writing in newspaper styles as you get to include lots of interesting techniques. English in class 6 is highly enjoyable because of how Miss Walker teaches where we focus on one paragraph at a time."

Another amazing topic class 6 have been learning about is the different parts of blood. Freya really enjoys this subject, this is what she says, "My favourite subject is science because we have been learning about the different parts of blood, and we made a really cool blood model. Did you know the liquid part of blood is actually yellow but the red blood cells make it red."

FACT OF THE WEEK

M&Ms were the first treat eaten in space
